Visit International Admissions online to discover CU Denver's many minors and certificate programs.

- ◆ Classroom and Online
- Online only
- Hybrid

Online, hybrid, or licensure status is an important consideration for international students.

An indentation indicates a major or specialization within the program.

**See CSPH website for complete listing of programs*

New Wellness Center Set to open in 2018, it is a place where students can study, connect with others, learn, eat, exercise, and build community.

Learn English The ESL Academy encourages successful completion of Level 5 which satisfies the university's general English language proficiency requirement. esl.ucdenver.edu

Medical Research/Residency If you are interested in a residency with the School of Medicine, School of Dental Medicine, Colorado School of Public Health, or the Skaggs School of Pharmacy and Pharmaceutical Sciences, please contact the department of interest directly for information.

Graduate Student Teaching Appointments Many departments employ graduate students as part-time instructors or teaching assistants. Contact the department for further information.

Research Assistantships Graduate students may be able to obtain part-time work as research assistants in many departments. Such funds are from external grants obtained by faculty members. Contact the department for further information.
